

Plant a seed; Help the Historical Society and its Programs Grow!

Our future, our children's future, is built upon awareness of our history. The more we know, the more we grow. The ways of the past have been a stepping stone for the future. By knowing our past, we make our own future. If you haven't already, won't you please join the Oregon Area Historical Society, or introduce us to a friend? Your membership helps enliven the Museum, helps costume a school child for Pioneer days and the Wax Museum, and has contributed to the Rural and Village School Project and other ongoing Society Projects.
